About Me

Enthusiastic Data Analyst with a year of hands-on experience in extracting actionable insights from complex datasets. Passionate about uncovering trends and patterns to drive informed business decisions. Eager to leverage expertise in data manipulation, visualization, and statistical analysis to empower AU Small Finance Bank as a valuable Data Analyst asset

Professional Experience

AU SMALL FINANCE BANK (DATA & ANALYST) JAN/2023 – Present

Key responsibilities:

- Interpret data, analyze results using statistical techniques and provide ongoing reports
- Develop and implement databases, data collection systems, data analytics and other strategies that optimize statistical efficiency and quality
- Acquire data from primary or secondary data sources and maintain databases/data systems
- Identify, analyze, and interpret trends or patterns in complex data sets
- Filter and "clean" data by reviewing computer reports, printouts, and performance indicators to locate and correct code problems
- Work with management to prioritize business and information needs
- Locate and define new process improvement opportunities
- functional teams to identify and define key business questions, then translated them into analytical projects.

Vistaar Financial Services Pvt Ltd (Operation Officer Executive) SEP/2022 – JAN/2023

Key responsibilities:

- Reviewing loan applications to determine if they meet the bank's lending criteria
- Reviewing financial statements prepared by the bank's internal accounting staff to ensure they are accurate
- Communicating with borrowers to resolve any issues with their loans or to remind them of upcoming payment deadlines
- Coordinating with other banks and lending institutions to process international wire transfers
- Recommending new loan products to meet the needs of current customers or potential clients who have not yet applied for loans
- Contacting potential investors to solicit new business opportunities for the bank
- Processing incoming payments from customers via check, wire transfer, or other means
- Reviewing loan applications to determine if they meet the bank's lending criteria

Achievements

AU SFB /2023 Manual daily activity converted to automation, saving time for another project and reducing the chances of manual error
